Ty Llon is approximately 5 miles South of Uckfield on the A22 London to Eastbourne Road. Proceeding Southwards from Uckfield on A22, pass through the village of Halland. Don't drive into East Hoathly but continue on the new stretch of the A22. South of East Hoathly you will see a thatched Landrover Garage. Turn right immediately before this garage and then turn right again into a lane marked with a blue sign saying " Private Road RDN". Ty Llon is at the end of this lane.
